

Dear Parents,

Our class is participating in a project to find Santa a new suit! He is tired of the red traditional suit and needs ideas for a new suit or outfit. Please help your child create a new and interesting outfit for Santa! Please use the Santa Page that is with this letter as your guide.

You can draw and color a new suit, or you can use common materials at home such as construction paper, cotton balls, glitter, etc... Be sure to use your imagination and have fun! Once you have created a new look, write why you chose this new look on the writing page also included with this letter.

Please return Santa in his new outfit by _____ . We will be connecting over video conference to share with another class located in _____ .

Thank you for your help!
Sincerely,
